- (6) When a player's name is called for a match, the player is asked to report to the scorer's table to pick up a game shuttle. If a new shuttle is required during the match, the old one must be turned in. When the match is finished, the winner must return the shuttle to the scorer's desk and report the score.
- (7) Yellow shuttles will be available.

- (13) The side winning a game serves first in the next game.
- (14) When one side reaches 11 points, both players get a 60 second break.
- (15) Both sides get a 2 minute break between first and second games, and another 2 minute break between second and third game. Players may not leave the courts at this time.
- (16) Please note: For doubles matches, the rules are one service only, back service line remains and the current rule applies.
- (17) Competitors are responsible for calling their own lines, keeping their own scores, etc. If a problem arises, players should confer with the convener. The convener may designate an umpire and/or provide lines people for that match.
- (18) Coaches and team members (spectators) are reminded that no coaching, including the calling of the lines, shall take place during the match. Coaching is allowed for a 1-minute period between games.
