## Financial Report

There is no official financial report at this time due to outstanding convenor reports for the winter Volleyball and Basketball seasons. The financial statements will be prepared as soon as the convenor reports come in. Blaine will be e-mailing each school that is either close to depleting all their funds, or that has already depleted all their funds, in order to have all accounts brought up to date. Each school will have 10 business days to bring their account up to date after their statements are e-mailed. Please be sure that you are diligently checking your inboxes.

Also, all convenors are reminded to please keep all e-mails regarding fees for future reference (ie. banner and medallion fees, convening fees) so that they don't have to be repeatedly sent out. Banner fees are \$108.00 per sport, medallion are \$91.20. First aid fees vary depending on the first aid company used. In addition, all convenors of a single-day tournament receive \$10.00 per participating team. Convenors of a league sport (basketball and volleyball) receive \$15.00 per participating team.

## Winter Convenor Reports

Will be e-mailed out to the membership by each individual convenor.

### **Reminders**

- All convenors are reminded to send their standings updates to the webmaster for the website to be updated. [webmaster@ssaf.ca](mailto:webmaster@ssaf.ca). This is part of the convenor duties, in addition to sending the schedule. The website has had over 1,000,000 hits, so we are trying to keep it as up-to-date as possible. In the near future, we are trying to also have the ability to do online tournament and league declarations. It was suggested by John Berney that we have the website wiped clean in terms of last season's results so that there is no confusion if an old schedule is posted. Blaine will be suggesting this to the webmaster.
- Members are reminded to refer to the website regularly for any updates and information.

### **Other Business**

- AED update – Yvonne Messina is looking into OPHEA guidelines and the Mikey Network for AEDs in the schools. Allison Cleland from Linden has been very helpful in obtaining information and passing it along. Schools will be brought up to date once all the information is sorted. Obtaining the OPHEA safety guidelines looks like it will be a lot less expensive than we originally anticipated.
- It was brought to our attention that there have been some issues with lack of clean-up at host schools. There has been garbage left behind, and general disarray. Please be diligent and ensure that your students and staff are leaving the other schools clean....we do not want host schools to stop hosting.
- Thien from RHMS mentioned that his school hosted the Elementary Girls' Volleyball Championships yesterday, and he had placed a bin of balls out for schools to use. At the end of the day the bin was half empty. Please check your stuff and return if you have any RHMS volleyballs.
- Jeff from Voice mentioned that he will contact everyone re: a staff friendly game in the spring/summer. Stay tuned.

### **Upcoming Meeting**
